"...brilliant camerawork yielded a succession of wonderful images." **Cristina Odone** on Lonely Planet's award winning "Ethiopia" (The Daily Telegraph).

I have 20 years experience shooting on 35mm, 16mm, HD-Cam and Digital Video on a diverse range of productions and also have considerable experience working abroad (recent trips have included Pakistan, Turkey, India, Galapagos Islands, The Caribbean, The Arctic, Antarctica, Ethiopia, Cameroon, Israel, Morocco, Egypt, USA, Canada, Iceland, Brazil, Argentina, Chile, Surinam, Ecuador, Mali, Borneo, Saudi Arabia and Europe). I am equally at home working on productions requiring large amounts of lighting or shooting observational documentaries in available light.

Underwater, I am a UK HSE (Health and Safety Executive) Media Diver, PADI (Professional Association of Diving Instructors) Staff Instructor and have logged more than 1,500 dives in both cold (Antarctica, Scotland) and tropical (Caribbean, Zanzibar).

I have also experience as a Media Diving Supervisor and Safety Diver.
