

ANTHEA NELSON

Production Designer

Anthea's career began as a sculptor, propmaker and set decorator for opera, theatre and television, and has gone on to work with Chris Morris, Richard Heslop, Philip Shotton, Dante Ariola, Shane Meadows, Ulf Johansson, Peter Kosminsky, Marc Munden and Beryl Richards while establishing her own recognition as a designer of award-winning productions. She is respected by producers and directors for her attention to detail, creativity, budget control and planning. Her experience encompasses large and small productions, set builds and location work.
