

# HUGH FAIRS

## *Underwater & Lighting Cameraman*

*Hugh has been working professionally as a freelance cameraman for over fifteen years, both in this country and on location abroad. He enjoys the challenges encountered daily working in diverse situations and has great breadth of experience in many genres of film and television. His objective is always to capture the finest images possible, working both as part of a two man crew but also as a 'one man band' capturing his own sound.*
